Quality Policy

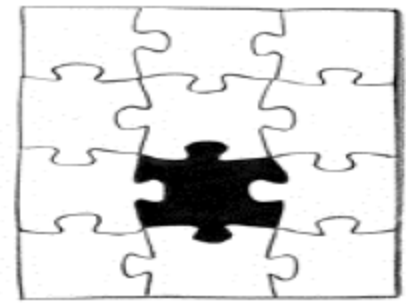

- ❖ To provide high Quality Financial and I.T. related services to our customers.
- ❖ To continuously satisfy the needs of our customers and exceed their expectations.
- ❖ To meet the commitments to customers on time.
- ❖ To provide systematic validation of our services and quality processes.
- ❖ To continually improve our services, employees' performance and thereby, the Organization.

Vision

- ❖ Be a pioneer in introducing various financial services models in Tanzania to encompass all the existing players and lead the financial consultancy market.
- ❖ Become a one shop stop solution to serve the client by offering a basket of services.
- ❖ Enrich Human Resource Wealth and preserve this wealth so as to deliver the best of services to the clients.
- ❖ Maximize returns for shareholders and stakeholders.

Mission

- ❖ Ensure complete customer satisfaction so as to reinvest in the business wheel and continue the association with the client.
- ❖ Drive & strive to achieve the goals laid down by the Management.
- ❖ Increase the customer base in Tanzania by providing the right service at the right time within the shortest possible time frame.
- ❖ Achieve success and fame by using the following tools (CAID) –
 - ✓ Commitment
 - ✓ Ability
 - ✓ Integrity
 - ✓ Dedication

Corporate Governance

*We follow a methodical approach to work and build a team that would increase its strengths
and mitigate all the weaknesses so as to provide the client the best of services.*
